Section B About your request Your knowledge and circumstances

We are required by our regulator, the Financial Conduct Authority, to ensure that you are fully aware of the possible risk factors associated with your decision to access your pension savings. We do this by asking that you complete the questions set out within section B of this application form.

Customers can access their SIPP through either Flexi-Access Drawdown, Capped Drawdown, Annuity or by an Uncrystallised Funds Pension Lump Sum (UFPLS).

We recommend that before deciding to access pension benefits, you take advantage of the Government's free and impartial guidance service, Pension Wise. To find out more, call 0800 138 3944 or visit www.pensionwise.gov.uk.

Depending on your responses to the questions, we will write to you with some tailored risk warnings that you should consider before we process your request.

If you have received advice from an independent financial adviser and your adviser is submitting the application on your behalf you do not need to answer the questions, otherwise please answer ALL of the questions asked.

If you decide to take your benefits without consulting with an adviser, we will require you to complete an online tool and provide your responses in Step 4 of this form. We will not be able to pay out any benefits without these sections completed.

If you have any queries on why we need to ask you these questions, please don't hesitate to call us on 020 3953 1060.

I instruct EBS, the Scheme Administrator of the EBS SIPP, to pay the benefits as requested in this form.

I accept the consequences of choosing this course of action including;

- the rate at which I choose to draw funds may be unsustainable;
- the more I draw during my lifetime, the less funds will be available to provide benefits for dependants or other beneficiaries on my death;
- 75% of any amount crystallised will be subject to income tax for the tax year in which it is drawn unless you have TFC protection;
- any decision about the rate of drawing funds may hold significant income tax and/or inheritance tax consequences. I will be responsible for obtaining any advice and making any decisions relating to all tax matters;
- EBS is not responsible for assessing my financial circumstances or needs and has no duty of care in relation to the rate at which I draw funds;
- the Money Purchase Annual Allowance will apply to me as soon as the first payment is paid under Flexi-Access drawdown; and
- if I am or become an active member of any other pension schemes, I may be obliged to inform the Scheme Administrator of that scheme that I have flexibly accessed pension rights within a required time limit.

I acknowledge that:

- I have not received advice from EBS;
- I am solely responsible for ensuring that sufficient cash is available to EBS to pay the benefits requested and that EBS will not pay the amount requested until the necessary funds have cleared into the SIPP bank account;
- EBS is not liable for any costs incurred in disinvesting my SIPP assets in order to pay the amount requested;
- all taxes due on the payment of the benefits requested will be settled from the SIPP before the payment;
- if tax is charged due to an incomplete or false declaration, I may be personally liable; and
- if income tax is overpaid, I will be responsible for reclaiming the overpayment from HMRC.
