

Transfer Out Form

SIPP

The EBS SIPP transfer out to a UK registered pension scheme request, warranty & discharge.

Member to complete sections 1 - 8

Receiving scheme to complete sections 9 and 10

Please note that this form should only be completed if you wish to transfer all or part of your SIPP funds to another UK registered pension scheme. When completed, please return the form to EBS Pensions Limited (EBS), 5th Floor, 100 Cannon Street, London, EC4N 6EU.

Important information

For your own benefit and protection, please read this section carefully before you sign the declaration and return this form.

- If you have any doubt as to whether transferring your SIPP is a suitable course of action, please seek professional financial advice, before completing this form.
- Transfers from your SIPP can only be made to another UK registered pension scheme or to a Qualifying Recognised Overseas Pension Scheme (QROPS). All transfers are subject to applicable legislation, HMRC rules and the agreement of the receiving scheme. **If the receiving scheme is a QROPS you will need to request a different transfer-out form from EBS.**
- If the proposed transfer is part of a 'pension scam' you could face a tax bill of more than 50% of your transfer value. Please see the attached copy of The Pension Regulator's warning booklet entitled 'Scammed out of his retirement. Don't be next.'
- Details of the fees EBS will charge for a transfer out of an EBS SIPP can be found on the enclosed 'Charges for the EBS SIPP' sheet.
- Transfers can be made in the form of cash and/or assets (subject to the rules of the receiving scheme) and you will need to indicate your requirements in the relevant sections of this form.
- Transfers of assets can give rise to additional costs (e.g. the transfer of commercial property is likely to give rise to solicitors' and legal fees, surveyors' fees etc.) and can take considerably longer than transfers that consist only of cash.
- Transfer of assets where trading has been suspended may not be possible.
- Because of all the factors involved, it is not possible to set a target date for the completion of a transfer from your SIPP. In particular we shall not transfer your SIPP until we are satisfied the receiving scheme is a UK registered pension scheme.
- If the receiving scheme has cancellation rights and you decide to cancel the transfer during the cancellation period, we reserve the right to decline to accept the transfer back.
