This includes immediate payment and the scheduling of all future disinvestment instructions that will be needed to fund your future retirement benefits. Embark Pensions will not be responsible for any missing benefit payment as a result of insufficient cash in your SIPP bank account.

7 PAYMENT OPTIONS

If you are taking a Pension Commencement Lump Sum, please confirm your preferred BCE date:

Please note, this must be within 3 months of us receiving this Retirement Options Form. If no date is included above, or the date has already passed, we will assume the BCE date is the date the form is received.

Please confirm your preferred method of payment: BACS CHAPS Faster Payment

Start date for taking taxable benefits: Other:

Please note, this must be within 3 months of us receiving this Retirement Options Form. If no date is included above, we will assume the taxable benefits are to commence at the next available date. Please see FAQs for further information.

If you are sending this form as part of a brand new SIPP application, we will designate funds on the earliest possible date after any transfers and/or contributions have been received.

We will have to get a full valuation of your SIPP before we can proceed with your drawdown request. If your SIPP contains investments that are difficult to value – for instance commercial property and illiquid assets – there may be a delay in receiving any income.

10 MEMBER DECLARATION

I declare that to the best of my knowledge and belief the information contained in this form is true and complete and that based on the information provided, Embark Pensions will reasonably expect to treat this as up to date information on my other pension arrangements.

If I should exceed my Lifetime Allowance Embark Pensions will notify me of this and also provide details of any expected tax charge before proceeding with my request.

I understand that my pension will be taxed at an emergency tax code until HMRC informs Embark Pensions you of my tax code. The level of income tax paid may be greater or less than required and I may be entitled to a tax rebate if too much tax has been deducted. I understand that I am responsible for reclaiming any tax or paying any additional tax to HMRC.

I understand that due to the HMRC requirement that PAYE must now be reported in real time (Real Time Information or RTI) you must pay all pension income and tax on the same day of the month and this will be the 28th. I am aware that funds from my SIPP bank account will be transferred into a PAYE bank account in advance of the 28th of the month in preparation for a BACS payment to reach me by the 28th of the month.

I am aware that I have a right to purchase a lifetime annuity from my accrued funds held within the scheme at any time.

12 FREQUENTLY ASKED QUESTIONS

What is meant by Real Time Information (RTI)?

Real Time Information (RTI) is a system of PAYE reporting that started in April 2013.

Under RTI, pension providers have to send information to HMRC each time they pay their members any taxable income which enables them to keep more accurate records and to ensure that over time people pay the correct tax.

As Embark Pensions makes one submission to HMRC each month in respect of any member income this means that all members must be paid on the same day so that the information is reported in real time. This will be the 28th of each month.

What is an Investment Pathway?

Investment Pathways are an initiative from the Financial Conduct Authority, which regulates personal pensions. It aims to support customers that elect not to take any advice by ensuring providers such as Embark Pensions offer 4 different investment funds to unadvised clients going into drawdown. These funds have been designed specifically based upon how clients choose to take drawdown benefits in the first five years following retirement i.e.

Option 1: I have no plans to touch my money in the next 5 years;

Option 2: I plan to use my money to set up a guaranteed income (annuity) within the next 5 years;

Option 3: I plan to start taking my money as a long-term income within the next 5 years; and

Option 4: I plan to take out all my money within the next 5 years.

If I invest via an Investment Pathway, what are the charges?

If you selected an Investment Pathway then we will establish an account for you on the Embark Platform. The charges for this account and the funds are as follows:

Tier	Annual Charge
£0 - £150,000	0.150%
£150,001 - £500,000	0.125%
£500,001 and over	0.100%

Fund	Annual Charge
The Embark Save It Investment Pathway	0.140%
The Embark Annuity Investment Pathway	0.160%
The Embark Drawdown Investment Pathway	0.140%
The Embark Withdraw It Investment Pathway	0.210%

Please note, the total charge for the investment pathway will be the combined platform charge and fund charge.

In order to pay taxable income on the 28th of the month, when do Embark Pensions need to receive the retirement options form?

We need to have received your completed form by the 19th of the month in order to add the details to the payroll. Funds then need to be available in your account 2 working days before the 28th of the month. Where the 28th falls on a weekend or bank holiday any income will be paid on the last working day before and therefore funds will need to be available 2 working days before that date.

Tax codes

If you have a valid P45 from your previous employment which applies to the current tax year this will need to be sent to us along with this form, or issued directly from the transferring company to us, in order for the existing tax code to be applied. Please be aware some transferring companies will only issue this directly to you therefore this will need to be forwarded to us.

The tax code can only be applied if we are in receipt of the P45 document as this contains the full details in order for us to apply the tax code correctly. In the absence of this document an emergency tax code will be applied.

What happens if I don't have a tax code?

If you do not have a tax code we will apply an Emergency Code on a Month 1 basis until HMRC issues a tax code which we will then be able to apply against future payments.

What happens if I pay too much tax?

This will depend on how much of your fund is withdrawn, please see details below:

a) You withdraw your entire pension fund

If you believe too much tax has been deducted from your payment, you will need to contact HMRC directly. HMRC will then require you to complete a Repayment Claim Form P50 and will then refund any overpayment of tax if applicable.

If you do not contact HMRC directly then your tax position will be reviewed by HMRC at the end of the tax year and a tax calculation will be sent to you detailing any under or overpayment of tax if this is applicable to you.

Please be aware any other earnings are taken into account when HMRC calculate your tax.

b) You withdraw part of the pension fund

If an emergency tax code is initially used for the deduction of tax from the payment and you believe too much tax has been deducted, HMRC should issue us with a tax code which will be applied to the next payment to ensure the correct tax deductions are made – this will pick up the overpayment of tax if appropriate and result in a refund of tax where required.

If no further payments are taken in the tax year, HMRC will review this at the end of the tax year.

Please be aware any other earnings are taken into account when HMRC calculate your tax.

What is the minimum I can crystallise?

The minimum amount that can be crystallised is £1,000.

Will I receive a P60?

Yes, we will send you a P60 every year.

What is the process for phased flexi-access drawdown?

a) If you have a financial adviser

We will contact your financial adviser the month before your phased Flexi-Access Drawdown is due to end. Your financial adviser will then be able to complete our phased Flexi-Access Drawdown continuation form, to confirm whether the phased drawdown amounts should stay the same or whether you require new monthly target amounts. We are then able to act on your financial advisers instruction, subject to your confirmation in Section 10.

b) If you don't have a financial adviser

We will contact you the month before your phased Flexi-Access Drawdown is due to end. If you wish to continue with phased Flexi-Access Drawdown, we will require a new retirement options form completing and the relevant risk warnings questionnaire completed.

What do I do if I suspect I am being targeted by a Pension Scammer?

Please contact us immediately as we may be able to stop a transfer of funds if it has not already been processed.

Then call Action Fraud on **0300 123 2040** and report the scam, or use their online reporting tool which can be found at www.actionfraud.police.uk/report-a-fraud-including-online-crime.

You might find it useful to refer to The Pension Advisory Service website and use their identifying a pension scam tool which can be found at www.pensionsadvisoryservice.org.uk/my-pension/online-tools.

Remember, once you've transferred your pension into a scam, it's often too late. If you suspect anything take action now.
