9 DECLARATION

On eligible personal contributions, Embark Pensions will reclaim 20% tax from HM Revenue & Customs ("HMRC"). HMRC will deposit tax relief in a non-interest bearing account set up by the Trustees and my entitlement will be disbursed from this account to my account within 3 working days of receipt from HMRC.

£3,600 gross (£2,880 net of basic rate tax) net of basic rate tax) or my relevant UK earnings.

I understand that where the total contributions made by me and my employer to this scheme and other registered pension schemes exceed the annual allowance, HMRC will levy a tax charge on the excess.

I understand that my Pension Input Period will run from the 6th April to the following 5th April and cannot be changed.

If contributions are paid to my SIPP on which tax relief is sought, I declare that:

- (a) I am under age 75 and am a relevant UK individual under Section 189 of Finance Act 2004.
- (b) The total of the contributions paid to this Scheme and to other registered pension schemes, in respect of which I am entitled to tax relief, under section 188 of Finance Act 2004, will not exceed, in any tax year:
 - The higher of the basic amount; or
 - My relevant UK earnings in that tax year.
- (c) The declaration in (b) is correct to the best of my knowledge and belief.

- (d) I will give notice to Embark Pensions if I cease to have any relevant UK earnings. As a result of which I will no longer be entitled to relief on contributions, under section 188 of Finance Act 2004. I will give notice by the later of:

- 5th April in the year of assessment in which the event occurs;

and

- The date which is 30 days after the occurrence of that event.

I understand that my total gross contributions to any registered pension scheme to which I am entitled to receive tax relief will be limited to the higher of the basic amount (currently £3,600) or my relevant UK earnings within the meaning of Section 189 of the Finance Act 2004 in that tax year.

I understand that no tax relief can be claimed by Embark Pensions unless I have provided complete information within this declaration.

I understand that once a tax relievable contribution has been made to my SIPP, it cannot be returned.

If an employer is paying contributions to my SIPP I give Embark Pensions authority to correspond directly with them.

10 FREQUENTLY ASKED QUESTIONS

What is a contribution?

A contribution is new funds from you personally or your employer that are to be added into your pension scheme.

I have received income via a Flexi-Access pension payment, can I still make a contribution?

Yes, however the maximum contribution limit will be reduced to £10,000 due to the Money Purchase Annual Allowance (MPAA) rules.

I didn't make a contribution last year, can I use this allowance this year?

You might be able to carry forward your previous tax year's unused allowance, however you should refer to your Financial or Tax adviser for further clarification in the first instance. If you have received income via a Flexi-Access pension payment you cannot carry forward any unused MPAA limit.

Can I contribute an asset into my pension scheme?

No, only sterling cash can be used as a contribution into your pension scheme.

How much can be reclaimed from HMRC for my personal contribution?

We reclaim 25% of the value of your personal contribution from HMRC or 20% of your gross contribution eg if you pay in £80.00 we will reclaim £20.00 which is the equivalent of 25% of the original £80.00. This means that a total of £100.00 is credited into your pension scheme. The reclaimed value is £20.00 which is the equivalent of 20% of the total or gross contribution.
