PENSION LIFETIME ALLOWANCE DECLARATION AGE 75 TEST

Please complete this form in **BLOCK CAPITALS** and black ink and return it to: Embark Pensions, Dunscar House, Deakins Business Park, Egerton, Bolton BL7 9RP. If you need assistance in completing this form, please call our Customer Services team on 01204 803500.

At age 75 HMRC require us to test your pension against your Lifetime Allowance (LTA). Firstly, we must test any unused or uncrystallised funds against your current LTA. We're also required by HMRC to test any growth on funds that you have already used to pay income i.e. crystallised funds.

If you exceed your LTA you will be subject to the Lifetime Allowance tax charge.

Please complete this form in full so that we can perform these calculations on behalf of your SIPP.

5 POTENTIAL LTA ISSUE

If the total value of your pension savings exceed the Lifetime Allowance, your pension savings may be subject to a tax charge. If you have pension savings in more than one private or workplace pension, you can choose the order in which they use up Lifetime Allowance, and this will determine which scheme pays any Lifetime Allowance tax charge that is due. Details of the current lifetime allowance can be found at www.gov.uk/tax-on-your-private-pension. Where we think this is applicable to you we will contact you for further instruction.

Surplus over the Lifetime Allowance (LTA) to be paid as:	Lump Sum	Income	Combination
If you have ticked Combination, please specify the split to be applied.	Lump Sum: £	Income: £	

Please note that any excess over the Lifetime Allowance will be taxed at 25%.
