Section B - About your request

Your knowledge & circumstances

We are required by our regulator, the Financial Conduct Authority, to ensure that you are fully aware of the possible risk factors associated with your decision to access your pension savings. We do this by asking that you complete the questions set out within section B of this application form.

Customers can access their SIPP through either flexi-access drawdown, capped drawdown or by an uncrystallised funds pension lump sum.

We recommend that before deciding to access pension benefits, you take advantage of the Government's free and impartial guidance service, **Pension Wise**. To find out more, call **0800 138 3944** or visit **www.pensionwise.gov.uk**.

Depending on your responses to the questions, we will write to you with some tailored risk warnings that you should consider before we process your request.

If you have received advice from an independent financial adviser and your adviser is submitting the application on your behalf you do not need to answer the questions, otherwise please answer ALL of the questions asked.

If you have any queries on why we need to ask you these questions, please don't hesitate to call us on 0844 728 9090.
